

**TWO-YEAR
BIBLE READING PLAN**
WITH DAILY READINGS FROM THE OT, NT & POETRY

TWO-YEAR BIBLE READING PLAN

Since the invention of the printing press, more than six billion copies of the Bible have been published. Portions of it are 4,000 years old, and yet New Yorker magazine said it "is the best-selling book of the year, every year." In whole or in part, it has been translated into over 2,400 languages, and at least some of it has been translated into 90% of the languages spoken on earth. It has been banned by governments, burned by religious leaders and incessantly attacked by critics. No other book in history has faced greater hostility, but it has survived.

And even though 88% of American households own at least one Bible, only 26% read them on a regular basis. When people do read the Bible, they don't know where to begin. We plan to fail when we fail to plan, but it is our prayer that this Bible reading plan will provide a starting point every time you open its pages. This Bible Reading Plan is:

- **COMPLETE** – *Read the Old and New Testaments once and Psalms and Proverbs twice.*
- **VARIED** – *Each day you will read one passage from the Old Testament, one from the New Testament and one from the Psalms or Proverbs.*
- **ACHIEVABLE** – *Read two to three chapters per day, five days a week allowing for catch-up days so you do not get too far behind.*
- **LIFE-CHANGING** – *Nothing will accelerate your spiritual growth like the daily practice of being in God's Word.*

To get the most out of your Bible study, we recommend you:

- Select a regular time and place to read that is free of distractions
- Pray and ask God to speak to you through your reading
- Mark or highlight meaningful phrases or verses
- Write down in a journal what God reveals to you as you read
